Pgs. 10-13 Name_____

1. Interpret Madeline L'Engle's quote on pg. 10.

2. What is your opinion on the subject of human intellect?

3. Describe the hindsight bias.

4. Give your own example of the hindsight bias in action.

5. Explain the overconfidence effect.

6. Other than defining it as "smart thinking", how could you explain **critical thinking**?

7. Using your own curious skepticism, create an appropriate critical thinking question about me (Mr. Egedy).
