

Look at the two examples of public service announcement posters above. What is the message of each? You will be making a three-part “public service announcement poster” to highlight the Roman Republic’s long list of problems. Looking at our list from the *Trouble at Home* notes and the *Bucket of Problems*, chose a major issue (ex: Farming Crisis). You will then use the provided handout to **illustrate and explain** the problem – its causes, effects, and possible ways to fix the issue. See my example for advice.

1. Name the Problem (ex: Farming Crisis)
2. Draw and Explain what is believed to be causing the issue (2-3 factors)
3. Draw and Explain what the effects of the problem are on Roman Society (summarize 2-3)
4. Draw and Thoroughly Explain a realistic solution to address Part 1 – *The Problem*

This is to be done on your own and will be checked and discussed on Thursday. If you do not finish in class, it must be finished for homework. You may use colored pencils, markers, rulers, etc. in your PSA. Please focus more on the brief explanations for each rather than on your artwork.
