

## Agents of Socialization Interpretive Assignment

Using an *acceptable presentation format* (that can be turned in as well as presented), explain the role of the following agents of socialization through the analysis of a specific individual:

1. The family
  2. The peer group
  3. School
  4. Media
- Define each category
  - Explain each category
  - Pick two to three specific examples for each category
  - Include any relevant unit vocabulary for each agent

Information can be found in your book on pg. 100-101
