

Using skills and content from Unit 1 (ex: research methods) and concepts from Unit 2 (ex: groups), we will be conducting our first research project at CBCS. There are a number of positives associated with studying CBCS, but our goal is to:

Our research project will follow strict ethical guidelines, mainly:

- 1.
- 2.
- 3.
- 4.

Some possible topics of study:

- creating an in-group and an out-group (pg 80)
- studying primary vs. secondary groups at CBCS
- surveying reference groups for various aged students at CBCS and CB
- investigating usage, behavior, and opinions regarding social media and electronic communities
- studying leadership among grade and community levels

Research Question:

Research Steps (pg. 20)

1. Define the "problem".
2. Review the literature.
3. Form a hypothesis.
4. Choose a research design.
5. Collect the data.
6. Analyze the data.
7. Present conclusions.

Step	Explanation
